

Roll a House

	Draw 1 rectangular body of the house
	Draw 1 triangle roof
	Draw 1 rectangle door
	Draw 1 square window
	Draw 1 rectangle chimney
	Draw 1 circle doorknob

Directions:

- Give each player a piece of paper and a pencil.
- Roll the dice to see who goes first—the highest number starts.
- The first player rolls the dice and draws the items that matches the number rolled.
- Continue taking turns until some1 completes their entire picture.
