Development:

ABCJesusLovesMe Sample:
1 Year Curriculum Week 2

Fine Motor Skills: Sorting Toy

To teach the child how to use a sorting toy, hold the block above the correct slot and allow the child to push the block down. Allow the child as much opportunity to do the activity by themselves as possible. As you play with the sorting toy, name the different colors and shapes.

Gross Motor Skills: Crawl

Place pillows, couch cushions, or anything soft on the floor for the child to crawl over. Have fun making mountains and climbing peaks!

Character Scriptures, Taking Care of Me, & Sign Language:

Because the suggested activities rarely change in these three objectives, they will only be listed in the Daily Schedule unless additional information is needed. Continue as previously suggested.

Week 2

Bible:

Bible Story: Exodus 1:13-2:10

Just like Moses was placed in a basket, give the child a basket to carry a stuffed animal or baby .

ABC Book: Basket

Cut out the baby and basket from the Basket worksheet. Help the child glue (glue sticks work best for toddlers) the basket on a brown piece of construction paper and the baby in the basket. Add the titles "B-Basket" and "Baby Moses in the Basket" on the construction paper and add the paper to the Alphabet Bible Craft (ABC) book.

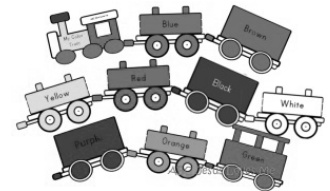

Academic:

Animal: Bear

- Using the Bear worksheet, point to the bear's mouth.
- Spread a thin layer of glue on the Bear worksheet. Lay small brown construction paper squares on the bear.
- Point and count the bear's legs.
- Find pictures of bears in the books that you read.
- A bear says "roar" and "growl."

Color: Brown Train

ABCJesusLovesMe Sample:
1 Year Curriculum Week 2

Add a brown train to the Color Train by having the child color, with a jumbo crayon, the brown train. Display the train at the child's level to point and discuss the colors.

Shape: Rectangle

Using brown construction paper, cut out a large rectangle. Using minimal water, have the child water paint the rectangle. Talk about the shape as the child paints.

Book of the Week: *Brown Bear, Brown Bear, What Do You See* by Bill Martin Jr/Eric Carle

Each week you will be asked to find specific objects in books. When you begin reading, take the child's hand, point, and say the name of the object. When the child is ready, allow her to find and point to the object unassisted. This week, point out all bears and items that are brown.
