

M&M Christmas Poem

Adaption of poem by Pam Ridenour

As you hold the M&Ms in your hand and turn them you will see....
An **M** becomes an **E**, a **W**, and then a **3**

They tell the Christmas story, one I'm sure you know.
It took place in a stable a long, long time ago.

The **M** is for the manger, where the baby Jesus slept that night.
The **E** is for east, where the star shone oh so bright.
W is for worship and praise to His holy name.
The **3** is for the wise man, of His birth they did proclaim.

So as you eat the candies or share them with a friend,
remember the meaning of Christmas.
It's a love story that never ends.
