

Cross & Heart Painting

Cut around the cross. Tape the back of the cross to a white piece of paper. Using a piece of sponge, stamp around the cross covering the entire piece of paper. Careful pull up the cross. Let dry.

Cross & Heart Painting

Cut the inside of the heart out. Tape the bottom of the heart on top of the cross. Place a few dots of red paint in the inside of the heart. Lay a piece of string in the dots of paint and drag around to cover the heart. Careful pull up the heart. Let dry.
