

Heart Template

Directions:

1. Using the large heart, draw a heart on a large piece of paper. On a contrasting color(s) draw two of the small hearts and one of the medium size hearts.
2. Help your child cut out the shapes.
3. Glue the eyes and mouth on the large heart.
4. Cut 4 - 1" strips of paper. Show your child how to do an accordion fold. Once you get it started, they will catch on real quickly.
5. Glue or tape the arms and legs on the back of the heart body.
6. Color, add glitter, or other craft items.
7. Proudly display for all to see!
